

THE 2009 IEEE/WIC/ACM INTERNATIONAL JOINT CONFERENCES ON

WEB INTELLIGENCE (WI'09) INTELLIGENT AGENT TECHNOLOGY (IAT'09)

HIGHLIGHTS

WI-IAT 2009 will be held in Milano, Italy 's business city, one of the most famous places in the world for fashion, design and history.

It will be hosted by the University of Milano - Bicocca, Italy.

In addition to presentations of regular research papers, workshops, tutorials, industry track, PhD mentory program, and demo track will be organized.

As in previous editions of the WI-IAT conferences there will not be a separate workshop or tutorial registration fee. One conference registration will include all workshops and tutorials.

All accepted papers will be included in the proceedings published by IEEE press, as well as in IEEE digital library.

Both whole and partial registration fees will be accepted to meet needs of different participants.

Daily keynotes open to all participants.
